How to become a member of Fairview:

If you are a Christian coming from another Baptist church you may simply request to move your membership here, and we will contact your former church as a courtesy to let them know of your transfer. This is typically called 'joining by letter'. Do not worry you do not have the letter. We will take care of that for you.

If you are a new Christian and have never been baptized, then joining by baptism is appropriate for you. Baptism is an act of obedience and commitment to Christ who commanded us to be baptized in the name of the Father, Son, and Holy Spirit. Immersion baptism is very important in the Baptist tradition because it is symbolic of being raised to new life.

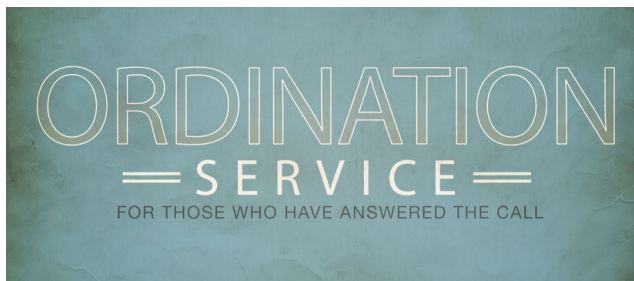

If you have professed Christ and have been baptized by immersion yet are not a member of a church, you may join by a statement of faith.

Beloved, although I was very eager to write to you about our common salvation, I found it necessary to write appealing to you to contend for the faith that was once for all delivered to the saints.
